RE: Permit #ACT 015-032
Genwal Coal Company
Violation 91-15-2-3

Dear Mr. Haddock:

This letter is a follow-up to the telephone conversation Randy Hardin had with Jay Marshall on April 14, 1992. As per Randy's conversation with Jay, Genwal has requested an extension to Violation 91-15-2-3 until Wednesday, April 22, 1992.

This short extension will allow me to complete Plate 3-1 in an adequate manner by insuring the accurate location of the disturbed and undisturbed boundaries with respect to the physical survey.

Should you have any questions or need additional information, please contact me at 687-9813.

Sincerely,

GENWAL COAL COMPANY

Larry W. Johnson
Engineer
